

Paavan Randhawa

604-781-0157 · paavankaur26@gmail.com · Delta, BC

Second-year BSc student in Mathematics and Computing Science at SFU (GPA 3.58 · Dean’s Honour Roll) with a strong foundation in full-stack web development and hands-on programming experience across Python, Java, C/C++, and modern web technologies. Completed an intensive three-level coding program and professional internship prior to university. Active in competitive soccer and ball hockey, long-distance running, and outdoor pursuits. Seeking software development, data, technical, or instructional roles in the Greater Vancouver area.

TECHNICAL SKILLS

Languages: Python, Java, C, C++, JavaScript, HTML, CSS, MATLAB
Frameworks & Libraries: React, Bootstrap, Flask
Tools & Platforms: Git · GitHub · Visual Studio Code · REST APIs
Concepts: Data Structures & Algorithms · OOP · Full-Stack Development · DevOps basics
Spoken Languages: English · French · Punjabi

EDUCATION

BSc — Mathematics and Computing Science | Simon Fraser University · Burnaby, BC *Sept 2024 – Apr 2028 (Expected)*
GPA: 3.58 · Dean’s Honour Roll (Spring 2025, Fall 2025 Spring 2026) · Shein & Aymynmohamed Rajan Family Entrance Scholarship (every semester)

Completed Coursework

Intro to CS & Programming I & II	Data Structures & Algorithms
Software Engineering	Systems Programming
Intro to Computer Systems (in progress)	Discrete Mathematics I
Proof Techniques	Applied Linear Algebra
Calculus I, II & III	Probability & Statistics

High School Core Track — Wizard Levels I, II & III | CodeWizardsHQ · Remote 2021 – 2022

- Completed all three Wizard Levels of a structured high school coding program — a sequential curriculum that only a small fraction of students finish in full
- Level I: Python fundamentals, HTML/CSS/JavaScript, UI development; Capstone projects demonstrating end-to-end build skills
- Level II: Full-stack development — REST APIs, relational databases, Flask framework, Bootstrap CSS; three independent Capstone projects built and deployed
- Level III: MVC design pattern, Object Relational Mapping, DevOps — Git/GitHub, VS Code, cloud deployment; final Capstone portfolio
- Earned eligibility for the post-program Internship upon completing all three levels (see Experience)

BC Secondary School Diploma — Honour Roll 2020–2024 | Panorama Ridge Secondary · Surrey, BC *Graduated June 2024*

- Schulich Leader Nominee — national recognition for STEM excellence and leadership
- BC Achievement Scholarship · District Authority Scholarship for Excellence in Web Design · Surrey Football Club Academic Scholarship
- Leadership Award in Physical Education (2022)

CERTIFICATIONS

DELTA A2 · French language proficiency (Government of France) **Safe Sport Training** · Coaching Association of Canada

EXPERIENCE

Notetaker — Centre for Accessible Learning | Simon Fraser University · Burnaby, BC | *September 2025 – December 2025*

- Produced clear, well-organised lecture notes each week to ensure equitable course access for students with disabilities
- Demonstrated reliability and strong written communication across a full academic semester

Scorekeeper | Surrey Minor Ball Hockey · Surrey, BC | *April 2023 – July 2023*

- Maintained official game sheets, operated the scoreboard, and tracked scores, penalties, and timing accurately in a fast-paced environment

Peer Tutor — Homework Club | Panorama Ridge Secondary · Surrey, BC | *September 2023 – June 2024*

- Tutored peers in Mathematics, English, Social Studies, and Science; guided problem-solving and built academic confidence

President, Scholarship Club | Panorama Ridge Secondary · Surrey, BC | *September 2023 – June 2024*

- Led research and curation of active scholarships throughout the year, increasing student awareness of post-secondary funding opportunities and deadlines

Library & Classroom Assistant | North Ridge Elementary School · Surrey, BC *November 2022 – December 2022*

- Supported the home reading program, assisted students in math and reading, and helped organise and run the school book fair
- Accompanied students on field trips and assisted with classroom coordination and material organisation

Retail Assistant | Shoppers Drug Mart · Surrey, BC *October 2022 – November 2022*

- Assisted customers in locating products across pharmacy, food, and personal care departments
- Performed expiry date checks and restocked shelves to maintain product safety and store standards
- Supported seasonal merchandising including Christmas promotional display setup

Software Development Intern | CodeWizardsHQ · Remote | *June 2022 - September 2022*

- Earned internship access by completing all three Wizard Levels — reserved exclusively for program graduates
- Worked on real-world coding projects for a nonprofit, applying full-stack skills (Python, HTML, CSS, JavaScript) in a team-based professional environment
- Delivered a password-generator web app featuring user input handling, randomisation logic, and a clean accessible UI
- Practised structured code testing, peer collaboration, and iterative project delivery

Assistant Coach | North Delta Football Club · Delta, BC *July 2022*

- Assisted coaching staff during a U4 introductory soccer camp; helped set up fields and prepare training activities
- Demonstrated drills, guided young players through basic skills, and maintained a safe and positive learning environment

ACTIVITIES & INTERESTS

Surrey United Soccer Club · Competitive player, 2011 – present (14+ years)

Surrey Minor Ball Hockey · Competitive player, 2021 – present

Long Distance Running · Sun Run (10K) and other races — regular recreational competitor

Cycling & Hiking · Regular cyclist and hiker across the Greater Vancouver / Lower Mainland area
